VISAKHAPATNAM – 530 031**

QUALITY, ENVIRONMENT AND OCCUPATIONAL HEALTH & SAFETY POLICY

We, at Visakhapatnam Steel Plant are committed –

- to meet the needs and expectations of customers and other interested parties,
- to prevent injury and ill health of all persons working under our control, and
- to prevent pollution.

To accomplish above, we will

- Supply quality goods and services to customers' delight
- Document, implement, maintain & periodically review the management systems including the policy, objectives and targets.
- Use natural resources and energy efficiently with concern for environment.
- Comply with all relevant legal, regulatory and other requirements applicable to Products, activities and processes in respect of Quality, Environment, Occupational health & safety and also ensure the same by contractors.
- Continually improve Quality, Environment, Occupational health & safety performance.
- Encourage development and involvement of employees.
- Maintain high level of Quality, Environment, Occupational health and safety consciousness amongst employees and contract workers by imparting education and training.

This policy is communicated to all persons working under our control and is made available to interested parties on request.
