Addressing the participants, Sri Madhusudan observed that strategic leadership with innovative ideas is most important mantra to succeed in difficult conditions and added that one should convert problems into the opportunities for the betterment of the organization. He said that the strategy to succeed in business is to distribute responsibility and advised senior executives to be honest and more open about information. He said that the leadership in an organization should identify the individual capabilities and formulate strategies to succeed in this competitive world. Sri Madhusudan exhorted the participants to utilize the programme to sharpen their skills in this area. Sri KC Das, Director (Personnel) RINL emphasized the need for right thinking and acting strategically in today's world and he gave some examples where strategies worked out effectively in an organization. Sri PC Mohapatra, Director (Projects), Sri DN Rao, Director(Operations), Sri P Raychaudhury, Director (Commercial) were present on the occasion. Prof Ranjan Das, a retired Prof of Strategy, IIM, Kolkata was the faculty for the programme. Executive Directors, General Managers of RINL were participated in the workshop.
