Vizag Steel Stall attracts Vizagites at Visakha Utsav

Visakhapatnam Steel Plant has put up a Stall at on sands of the Beach during Visakha Utsav from 23rd to 25th January 2015. Working Models of Blast Furnace, Coke Ovens & Steel Melt Shop were placed in the stall. Thousands of people visited VSP stall and appreciated the efforts for show casing the VSP for general public. Women employees of the company presented a "Mime Program on Water Conservation" everyday during evening times.
