Speaking on this occasion, Sri Atul Bhatt, CMD explained about the present steel scenario and its importance, the need & demand of raw materials and uncertainty in present market conditions. He told that Organization needs the change which is driven by Young Managers. RINL has the capability to grow further & further to achieve 30~40MT in future. He stressed that the young managers need to focus on self development and also benefit to the organization to stand in the global competition. Sri D K Mohanty, D(C) & D(P) Addl. Charge while addressing the young managers, highlighted about the footprint of RINL in international market by achieving sales of 1.3MT during last year. He recalled the Indian steel production which is 10 MT during 1980 and it has geared up to 118MT during 2020. He appreciated Training department and HR for initiating competency development to Young managers of RINL. Sri AK Saxena, D(O) told that RINL is performing well during the last two years. He praised the contributions of Young Mangers in critical achievements like stabilization of Battery-5, use of lime in Sinter Plant, sinter machines stabilization, rolling of new products in Rolling Mills etc. Sri Abhijit Chakrabarti, CGM (W)I/c, Sri K.Srinivasa Rao, CGM(HR)-IR&Estt., Smt N Bhanu, GM(Trg.)&HoD, Senior Officers, faculty and 35 Young Managers participated. Smt. Bhanu, GM (Trg.) & HoD gave welcome address and Sri A Murali Mohan, DGM(Trg.) offered vote of thanks.
