RINL CMD inaugurates Retired Employees Portal

Sri A. P. Choudhary, CMD, RINL-VSP inaugurated the "Retired Employee Information System" a internet web portal designed for the use of retired employees of RINL-VSP. On this occasion, Sri Choudhary said that several employee welfare measures were initiated and this IT enabled service is a step forward in that direction to keep their retired employees connected with their beloved organization. Sri Choudhary congratulated Information Technology department for developing the portal in-house.

Sri Umesh Chandra, Director (Operations), Sri YR Reddy, Director (Personnel), Executive Directors and senior officers of RINL present on the occasion.

The portal will be very useful to the retired employees of RINL who can now get their medical information online. Important application formats, relevant rules and circulars, medi-claim policy & procedures, press releases, Ukkuvani magazine etc. are available in the portal. This is an interactive portal, hosted from corporate website i.e. www.vizagsteel.com.
