

Sri CHANDRASEKHAR GHANSYAM PATIL assumed charge as Director (Commercial) at Rashtriya Ispat Nigam Limited (RINL), the holding Company of Visakhapatnam Steel Plant. Sri Patil took charge from Sri HS Chhatwal who retired from service, today.

Born on 22<sup>nd</sup> February, 1950 at Bhusawal, Maharashtra, Sri CG PATIL obtained B.Tech (Hons.) in Mechanical Engineering from the Indian Institute of Technology, Mumbai. He also took his graduate Diploma in Materials Management from the Indian Institute of Materials Management.

Shri Patil started his career as Junior Project Engineer in the Project Engineering Department of Rourkela Steel Plant of Steel Authority of India Limited and joined Visakhapatnam Steel Plant on 16.04.81 as Assistant Manager (Purchase). Sri Patil has rich experience in Materials Management and Marketing.

During his tenure in Marketing, Sri Patil worked in various capacities and held very important positions and contributed immensely in bringing in record sales year after year in Marketing Department. Sri Patil took efforts to spread the material consumption in rural areas by appointing District Level Dealers (DLDs) at various locations all over the country.

A widely traveled person, Sri Patil visited many foreign countries like Sri Lanka, United Kingdom, South Korea, Japan, Singapore, Germany and China. Sri Patil is currently the Vice-Chairman of Vizag Zone of CII, Andhra Pradesh Chapter.
