

Advertisement for appointment of Rural Dealers in the state of Haryana under RINL Rural Dealership Scheme

RINL, a Navaratna Company, located at Visakhapatnam, Andhra Pradesh, under Ministry of Steel is the first shore based Integrated Steel Plant in India with a production capacity of 3 Million Tonnes of Liquid Steel which is soon to double to 6.3 Million Tonnes. RINL manufactures a range of Long Products like Wire Rod Coils, TMT Rebars, Rounds, Structural etc.

RINL has already launched its RDS and more than 600 Dealers have been registered during the last Financial Year. RINL aims at registering more Rural Dealers in the current financial year creating engagement for the young entrepreneurs and making RINL Steel available in rural markets.

RINL now invites applications from young & dynamic persons for appointment of Rural Dealers under this scheme from interested persons from the State of **Haryana**.

Highlights of the scheme are:

- No EMD or Security
- Preference to SC/ST/OBCs /Women/Minorities/Youth/
- No Commitment, No Penalty
- 50 MT per month with a provision to enhance
- Initial Registration for 2 years with a provision for extension
- Availability of quality Steel in rural areas at affordable price
- Supply of Promotional material free of cost
- Prospective Dealers should be financially sound
- RINL Rural Dealers encouraged to lift material in truck loads
