Invitation to Prospective Vendors intends to get registered for their products with RINL/VSP

RINL/VSP, Materials Management Department invites prospective vendors to get registered for supply of their products in the following groups.

- | | |
|-------------------------------|---------------------------------|
| - Tyres and Tubes | Chains & Sprockets |
| - Critical & Special Bearings | Forged Steel Rolls |
| - HDPE/LDPE Sacks | Epoxy Resin, Bitumen |
| - Oxygen Lance Tip | CI&CS Rolls, Guide Rollers |
| - CRMP-Discs, Wear Plates | Rails & Concrete Sleepers |
| - Graphite Electrodes | Celox Probes |
| - Refractories | Cable Reeling Drum |
| - Casting Powder | Silicon Carbide, Sulphuric Acid |
| - N-Formamorpholine | Ceramic Fibre Matrl, Slag Wool |

Interested vendors are requested to visit our website www.vizagsteel.com and click on Vendor Registration for submission of online information. Hard copies of the application with supporting credentials shall be sent to AGM(MM)-Vendor Development Cell by Post. For the above mentioned items only manufacturers are preferred for enlistment.

Application received for “Refractories” shall be processed through “Trial Route” only.

For Further Information applicants may contact DGM/AGM-VDC at the above mentioned numbers.
