Dr GBS Prasad, Director(Personnel) RINL received the award during the 2 nd National conclave on 5S (a Japanese concept of Work Place Management) organized by Quality Circle Forum of India(QCFI) in association with the Chennai Chapter and hosts Madurai Chapter.

Sri P Madhusudan, CMD, RINL while congratulating the entire workforce for the coveted award observed that the award reflects the commitment of one and all in implementing the 5 S concept with true spirit in the organization.

Vizag Steel has thus added another jewel to its dazzling crown by winning this award within a year on achieving the "Plant level" certification in "5S"-Work Place Management System.

This award was given to RINL at National level among 36 "5S" certified organizations, based on the QCFI-Auditors report/feedback for the initiative and effective implementation of 5S.

Sri Neethi Mohan, MD, Vaighai Agro Products Limited was the Chief Guest of the function. Dr AK Mittal, President QCFI, Sri DK Srivastava, Executive Director, QCFI presided over award function. More than 200 delegates attended the Conclave and 30 teams from various organizations presented their case studies.

Sri R Nagarajan, GM (CO&CCP) and Sri Gandhi, DGM(MS) from RINL also attended the one day conclave and Award function.
