Speaking on the occasion, Sri Ganta Srinivasa Rao expressed his gratitude and commended highly RINL management's concern for improving infrastructure facilities in promoting education in and around Visakhapatnam. He lauded RINL for carrying out various initiatives under CSR especially in promoting education in the region and taking care of the societal needs in the surrounding villages as a part of Corporate Social Responsibility. Sri RV Rao, Executive Director (Corporate Services) and Sri G Gandhi DGM (CSR) and other officials of RINL, Visakhapatnam Steel Plant were present on the occasion. Dr Shankar, Asst Director, RJD office, Kakinada, Sri Adinarayana, Executive Engineer, (APEWIDC) and other officials were participated in the function. The workshop building of Government Polytechnic for Women, Bheemili was totally damaged during Hudhud Cyclone. RINL, as a responsible corporate citizen, extended its helping hand under its CSR programme and renovated the Workshop building at a total cost of around Rs 23 Lakhs. As a part of this, the roof which was earlier covered with asbestos sheets is now completely renovated with galvanized powder coated sheets, toughened glasses along with windows, paintings and complete replacement of electrical wirings. The total job was executed through Andhra Pradesh Education Welfare & Infrastructure Development Corporation (APEWIDC). Now the workshop spread over 11,000 sft is being put into use for the benefit of 688 students. The renovated Workshop has

been handed over to Govt. Polytechnic authorities for further utilization and maintenance. The Principal, staff and students of Government Polytechnic College for Women expressed their happiness towards restoration of the Workshop and other facilities by RINL.
