Previously, MMSM rolled out Billets of max size 90X90 mm only. Trial operations was carried out successfully for IS:2830 grade, however other grades also can be rolled out depending on the requirement. Sri PK Rath, CMD,RINL after witnessing the process said that it is a momentous occasion for RINL to bring out a new product from its sophisticated mill to suit to the market demand. He congratulated the MMSM team and Works Division for the achievement. He exhorted them to take up further innovations to meet the market demand based on customer requirements. Sri DK Mohanty, Director (Commercial) ,Sri AK Saxena, Director.(Operations), Sri K V Vidya Sagar ED(Works) i/c RINL and other Senior Officials were also present on this occasion. This is a new product profile added to the RINL product basket to meet the demands of both domestic and international market. RINL produces special steel, including Wire Rod coils, Rounds, Billets of different grades and dimensions to meet the demands of Infrastructure, Construction and Auto Industry etc.
