Sri K C Das, Director(Personnel), RINL inaugurated the Oncology Section today. He said that recently, Dr D Raghunatha Rao, Ex-Director, Homibaba Cancer Hospital and Research Center had joined as an Advisor at VSGH which will benefit the VSP employees and their dependant family members to have follow up and consultations of this eminent personality in the area of Oncology. Sri KC Das also inaugurated the -Computed Radiography Digitiser CR30-Xm and film printer in Radiology Section and online Doctors" appointment system. He appreciated that the new equipment in the Radiology Section will not only be helpful in the quality investigations and also reduces the waiting time of the patients. He commended the Officers of IT&ERP for developing such computer application internally. Sri Debasish Ray, ED(HR) & HOD Medical, Sri R V Rao, ED(HR-CS) and Sri Y Balaji, ED(HR -Admn) and others were present on the occasion.
