Records galore at RINL

With perseverance and charged with a passion to excel, the RINL , Visakhapatnam Steel Plant collective have created yet another record by achieving a daily Hot Metal production of 16,250 Tons on 20th January, 2023 from Blast Furnace 1 and 2 together which is also the best daily production from both Blast Furnaces 1& 2 combined, since inception. (More than 100% capacity utilisation).

PhotoCaption:

The previous best daily Hot Metal production of 16,200 Tons was achieved from Blast Furnace 1 (Godavari) & Blast Furnace 2 (Krishna) combined on 08.12.2022. Shri Atul Bhatt, CMD, RINL and Shri AK Bagchi, Director (Projects) & Additional charge Director (Operations) congratulated the RINL collective for achieving the record production and lauded their untiring efforts to excel.
