RINL imparts skill training as part of its Corporate Environment Responsibility

With a view to empower Divyangjan (persons with various disabilities) and help them earn livelihood, RINL provided skill development training to 100 beneficiaries with disabilities in Visakhapatnam. RINL spent Rs 4.95 lakh towards imparting necessary skills with the support of Jan Shikshan Sansthan (under the Ministry of Skill Development and Entrepreneurship) to the trainees as part of corporate environment responsibility initiative of RINL.

To make it convenient for the beneficiaries RINL management provided the skill training at their respective Day care training centers , in various skills such as tailoring, preparation of home needs like agarbathis, candle making, phenyl making and detergent making through special trainers from JSS(Jan Shikshan Sansthan). The duration of the training in tailoring was for 3 months and training in preparation of home needs was for 2 months. As part of the noble endeavour, 100 persons with disabilities were trained at 3 training centers i.e., Sreya Foundation, Sujathanagar , Sunflower Special School, Pedawaltair, Lebenshilfe, MVP Colony in Visakhapatnam. On successful completion of the training program, certificates were given away to the participants on 14.03.2023. The certificates were presented by Sri A Ashok, GM (CSR) and other officials of Corporate Social Responsibility (CSR) of RINL. Sri TV Ramana rao, DGM(CSR), RINL also participated in the program.
