Blast Furnace 2 Krishna of RINL Sets a Blazing Record: Achieves 50 Million Tons of Hot Metal Production Milestone since inception

It was a historic moment in the annals of RINL with Blast Furnace -2 (KRISHNA) crossing the Glorious Milestone of 50 Million tons of Hot Metal production, since inception. The Blast Furnace -2 (BF-2) which was commissioned on 21.03.1992 achieved this significant milestone on 25th October, 2023 night. At a simple function held in the control room of Blast Furnace-2 to celebrate the occasion, Sri Atul Bhatt, CMD, RINL congratulated the entire Blast furnace team and the RINL collective on this momentous occasion. "It is with great pleasure and admiration that I extend my heartfelt congratulations to you, the entire RINL workforce, and the remarkable Blast Furnace team on the historic achievement of Blast Furnace-2 (KRISHNA) reaching the monumental milestone of producing 50 million tons of Hot Metal.", Sri Atul Bhatt said.
