**REPLY OF THE CPIO IN THE ONLINE RTI APPLICATION DATED 04.02.2022  
FILED BY DEETI SATYANARAYANA REGD. NO. RINLT/R/E/22/00035**

**Query No. 1:**

I seek certain information in vizag steel plant, what is the working number of General Foreman (s) Mech in vizag steel plant.

**Reply:**

As on 01.02.2022, there are a total of 1799 General Foreman(S)-Mech working in RINL-VSP.

**Query No. 2:**

Provide their full names with surname, employee number and their leave particulars with type of leave as per your employee portal/company record from 1-8-2021 to 1-12-2021.

**Reply:**

Information regarding full surname is not being maintained in the form as sought by the information seeker. Compiling information as sought would require retrieval of data from several files and the work would be voluminous. Retrieving such information would disproportionately divert the limited resources of the section. Hence, the applicant may be advised to inspect the information at a pre-appointed date and time.

The information sought by the applicant regarding leave cannot be provided in terms of Section 8(1)(J) of the RTI Act. 2005 which states that :

*"Notwithstanding anything contained in this act, there shall be no obligation to give any citizen information which relates to personal information the disclosure of which has no relationship to any public activity or interest, or which would cause **unwarranted invasion of privacy** of the individual unless the Central Public Information Officer or the appellate authority, as the case may be, is satisfied that the larger public interest justifies the disclosure of such information."*
