**REPLY OF THE CPIO IN THE ONLINE RTI APPLICATION DATED 28.03.2022
FILED BY MS PUSPARANI BEHERA REGD. NO. RINLT/R/T/22/00009**

How many OrRINL conducted an exam in the year 2020 for MT (Tech) Recruitment whose interviews were conducted in the month of April in 2021. The exact Advertisement released by RINL is Rectt. Advt. No.01/2020. The thing of concern is one year has already passed since the interviews were held and till now the final result has not yet been declared. Many RTIs have already been filed to RINL but the management replies all time that the result declaration date is still not decided. On asking to recruitment section they also reply the same above reply. There were 188 posts to be filled through this recruitment and many aspirants are waiting for the result for a year.

Query No. 1:

So I would like to know through this RTI that when will exactly RINL release the results of MTT 2020?

Query No. 2:

Why RINL has been delaying the result since a year?

Reply To Q. No. 1 & 2:

The date of declaration of final results against recruitment Rectt. Advt. No. 01/2020 is not decided.

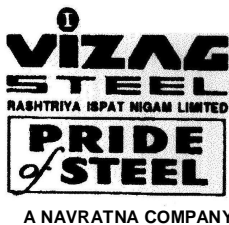

Query No. 3:

If your reply is that the above questions can only be answered by RINL but what if RINL does not give proper answers to the questions above then which authority should be asked for the above questions answers.

Reply:

Query is not clear.
